

Data Privacy Memorandum of Understanding AMPERFIED GmbH.

Our customers and employees want their personal data to be protected. And so do we.

Protecting your personal data is a matter of course to us. We therefore process your data exclusively in compliance with the statutory provisions, such as the European Union's General Data Protection Regulation (GDPR), the German Federal Data Protection Act (BDSG) and the German Telecommunications and Telemedia Data Protection Act (TTDSG).

What our customers and employees want:

- The certainty that their personal data is protected in line with the aforementioned laws and regulations.
- The certainty that their data is stored and used in compliance with the GDPR provisions on data protection, transparency and the right to privacy.

Therefore we will:

- Take all necessary measures to protect our customers' and employees' personal data.
- Constantly improve the effectiveness of our data protection policy.
- Effectively prevent unauthorised third-party access our customers' and employees' data.

We are pleased to take responsibility for this.
